About the contest

To aspire and encourage interested people and to find the exotic and untouched locations of North east India, "Unseen Northeast" is going to organise a Mobile Video-graphy competition to **Explore the Unexplored**. The competition is for the age group of 14-60 years. The result will be declared in our website on 30th August. We are expecting participation from different parts of North Eastern States.

Unseen Northeast

North East India, a biodiversity hotspot, cradles of different cultures and heritage and paradise unexplored is truly the next destination hub for all your needs and a one stop solution that you can ever think of getting engaged and involved with the place and people. We are aspiring for a new vista for the endless potential that we possess here in the North East to be explored by you for all your desired interests, professional needs apart from personnel interest. 'Unseen Northeast' is committed to turn all your dreams into reality in a budget friendly way with innovative ideas and solutions. Come and explore with us in nature's bestowed splendor and most fascinating destination.
